

Bloomington Developmental Learning Center

Bloomington Developmental Learning Center is a licensed multi-cultural child care center that encourages each child to develop his or her own unique potential. Through our play-based curriculum BDLC fosters the emotional, social, and educational development of children ages 6 weeks to 5 years old. With the help of our exceptional staff, we strive to make a positive impact on the lives of each child who comes through our doors. We participate in the Paths to Quality, currently at a Level 3, and are working towards NAEYC accreditation.

Purpose: We are currently seeking a candidate to fill the role of Infant/Toddler Co-Teacher. If you have a passion for play-based education and spending time with young children, this is the career for you! BDLC practices continuity of care, meaning the children begin with a set of teachers in our infant rooms and stay with those peers and teachers, moving rooms each year as a group until they are 3 years old. We are looking for a teacher in our current 2 to 2.5 year old classroom. This position would work 10am-6pm daily.

All employees must meet or be willing to complete all licensing requirements including fingerprinting, TB test, and drug screening.
