Infant Toddler Teachers

Family Development Services manages the Head Start and Early Head Start educational programs in Marion and Hamilton counties in Central Indiana. We plant the seeds of future success for more than 2,000 children and their families each year by providing a head start in socialization and school preparedness skills, as well as a range of family social services.

FDS has immediate openings for Early Head Start infant/toddler teachers in the Indianapolis area. Responsibilities include: planning and implementing developmentally and age appropriate classroom activities, maintaining a healthy and safe environment, having a demonstrated ability to manage a classroom and follow established curriculum and procedures, and communicating with parents regularly about their child’s progress.
